

**Consultation and workshop at your company  
REACH Conformity Programme**

We come out to your company and together we put together a REACH Conformity Programme specially designed to meet your individual requirements.

**Content: "REACH Conformity Programme"**

**1. Individual REACH training for staff / suppliers (max. 25 participants)**

**2. Risk analysis**

- a. To what extent is your company affected by the REACH regulation.
- b. Which product groups/products are affected by REACH
- c. Risk analysis of your product groups/products
- d. Analysis of your suppliers/manufacturers

**3. REACH conformity programme - first steps**

- a. Support in developing a REACH conformity programme tailor-made for your company
- b. Generation of required multilingual documents, cover notes
- c. REACH schedule

**4. General REACH consultation**
