Increase your sales power at proPSI!

The conference organizers PSI and Pro have joined forces. This partnership gives suppliers and distributors in the European promotional products industry a platform to meet at the year's two all-important moments: in January as the year gets under way, and at the end of August, as the Xmas season starts and the industry traditionally has its chance to boost sales in the final quarter.

Make new contacts

From 25 to 27 of August the whole industry gets together in Amsterdam at the proPSI trade fair. Manufacturers and suppliers do not need membership to gain access to the event. At proPSI you will meet new suppliers and see new products. A visit to the show will give you the ideal opportunity to make new contacts and rejuvenate your product range: That's how proPSI can increase your sales power!

Entrance for three days, including participation in practical seminars and workshops, is just €25. On the website (www.pro-psi.com) you can pre-register by now for your visit. Then your entrance badge will be ready for you when you arrive.

Very close to the centre of Amsterdam

ProPSI is being held at the RAI Exhibition Centre in Amsterdam. Most airlines fly to Amsterdam Airport Schiphol. The RAI is just 30 minutes by car from Schiphol and 15 minutes from the centre of Amsterdam with its famous canals and plenty of clubs, pubs, restaurants and cafes. The city has many hotels, all offering reasonable rates for rooms at the end of August. Use your fair visit to a long weekend in

Amsterdam!
