Applying for the PSI Sustainability Awards 2017 with a social initiative

Dear Jury,

Dear ladies and gentlemen

We're hereby applying for the PSI Sustainability Awards 2017 by entering our social initiative in the Social Initiative category.

Description of the social initiative

It might be helpful to describe the following aspects of your initiative:

- *What is the goal of your social initiative, and have you been able to reach it, or partial goals, yet?*
- *Is social sustainability integrated and lived in the daily routines of the company and its workforce?*
- *Is social sustainability a component of your public image in the community and society?*
- *Do you involve employees in making the campaign a reality?*
- *What changes did your initiative bring about, both inside and outside your company (sickness absence rates, employee satisfaction, number of trainees, lived diversity and inclusion, additional employee-initiated campaigns etc.)?*
- *If you already submitted your initiative last year: How did you enhance your initiative and/or which aspects did you change?*
